The Atlantic County Bar Association

The Atlantic County Bar Association supports our Veterans, and is grateful for their service in support of the State of New Jersey and the United States of America.

The Atlantic County Bar Association funds many charitable events, including an annual holiday party for underprivileged children, a yearlong clothing drive, scholarships for law students, relief funds for catastrophic events, and an annual toy drive for local children during the holiday season.

Its members also volunteer countless hours of their personal time in community service and charity work.

However, our efforts pale in comparison to the sacrifices made by our Veterans, and it is our organization's hope that this brochure will provide our Veterans access to the services they so richly deserve.
